about  
it!

# It's not too late to help!

We are still accepting donations for our online/silent auction coming up in March. Gift baskets are always popular, so if your family would like to put one together we would love to auction it off! If you don't feel like shouldering the expense and organization yourself, how about partnering with another AAYC family or two? For more information, contact Marilyn Meeker at [marilyn.meeker@gmail.com](mailto:marilyn.meeker@gmail.com)

# HELP!

**If you have a mini van or larger SUV, and some able bodied helpers, I could really use your help. I have a load or two of items, from our office at the NEW Center in Ann Arbor that need to be taken to Goodwill. There is nothing particularly heavy, but quite a few trips to the car will be necessary. If I could get the help of two families, it could likely be done in one trip! We are working hard at being good stewards of our stuff and our space so that we are able to serve the group all the better. I am hoping to accomplish this in the next week or two, but am completely flexible on the actual timing of the help. It could even be scheduled around rehearsal time as Goodwill is open until 9pm. If you could assist, please contact me, Linda Klepaczyk at 734 646 7987 (texting is best)**

**Thanks in Advance!**
