Remember me singing and let my music play.  
My song goes by, and childhood flies so quickly,  
Calling catch me, catch me, catch me if you can  
Before it runs away.

Remember me singing, and let my music stay  
Always, always in your heart

As I sang for you today.

The songs I remember  
Are songs I'll sing in time

When I am grown to children of my own.

Listen, listen, listen and you'll hear  
Their voices sing in mine, sing in mine.

Remember me singing,  
I'll do the same someday, someday

As I sang for you today.

When my children sing
